By participating in MembersFirst's Skip-A-Payment program, you request that MembersFirst CU defer your loan payments as indicated. You agree and understand that 1) Loans must have originated at least six months prior to the date you choose to skip your payment; 2) If we are unable to stop your ACH payment in time, your skipped payment may be delayed until the next scheduled payment; 3) Finance charges will continue to accrue at the rate provided in your original loan agreement during and after this time; 4) Deferring your loan payment will result in your having to pay higher total FINANCE CHARGES than if you had made your payments as originally scheduled; 5) If you are paid three times in a month, we will only skip the first two payments. 6) The payment deferral will extend the terms of your loan(s), and you will have to make extra payments after your loan would otherwise have been paid off; 7) You will be required to resume your payments the following month; 8) If you elected GAP, Warranty Coverage or Life/Disability Debt Protection, the coverage will not be extended beyond the original maturity date; 9) All deferrals are subject to MFCU approval; 10) Your loans must be current to accept this offer (loans more than 10 days past due are subject to additional approval; certain restrictions may apply); 11) If you are making your loan payment from another institution (ACH or Direct Deposit), then the funds we receive will be put into your savings account. There is a \$30 processing fee per loan, which will be deducted from your account or paid over the counter (as specified above). All loans listed will be skipped for the month listed; only one month may be skipped for this promotion. If your payment is made through Payroll Deduction or Direct Deposit, your payment will be deposited into your MFCU Membership Savings account.
